Integrated Care Systems (ICS)

Integrated Care Systems (ICS)

Coordination
Joined up/integrated care
Pooled budgets

Integrated Care Boards

(pending Health & Social Care Bill)

Responsible for NHS functions and budgets

Integrated Care Partnership

(pending Health & Social Care Bill)

Statutory committee bringing together all system partners for health and care strategy

Examples of NHS England/Improvement Role

- Support ICSs towards self-governance and assurance
- Facilitate join-up between key system partners where needed
- Support understanding of funding streams, planning requirements, and interpretation of policy/deliverables
- Targeted support for system improvement and/or transformation – including facilitating roll-out of best practice
- Facilitate or support programmes of work that are most efficiently “done once” at regional scale
- Interface between National NHSE/I team and ICSs

Architecture in Systems

Integrated care systems (ICSs)

Key planning and partnership bodies from April 2022

NHS England

Performance manages and supports the NHS bodies working with and through the ICS

Care Quality Commission

Independently reviews and rates the ICS

Statutory ICS

Integrated care board (ICB)

Membership: independent chair; non-executive directors; members selected from nominations made by NHS trusts/foundation trusts, local authorities and general practice

Role: allocates NHS budget and commissions services; produces five-year system plan for health services

Integrated care partnership (ICP)

Membership: representatives from local authorities, ICB, Healthwatch and other partners

Role: planning to meet wider health, public health and social care needs; develops and leads integrated care strategy but does not commission services
